## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Our mission of education at Hilton Head Island Early Childhood Center (HHIECC) is to create an environment rich in knowledge and resources which promotes curiosity, exploration and self-expression, and in which children are encouraged to become actively engaged in their own learning. We have a remarkable staff of collegial professionals who believe that all children can achieve success and we constantly strive to meet the individual needs of our diverse population of young students.

Teachers work diligently with individual children, small groups and whole group throughout the day to differentiate instruction. Student work is showcased throughout our building.

For the 2012-2013 school year our school continued to excel academically in both reading and math on the Measure of Academic Performance test. In May 2013, 83% of our students in reading scored on or above expected growth targets and 89% achieved this goal in math. The MAP test also showed that 85% of our students left our school on or above first grade level in reading and 87% in math left our school on or above first grade level. Technology is integrated into our classroom and instruction on a daily basis. Each classroom has a Smartboard, Mobi, three desktops, and four laptops for student use. Our students are actively using many online instructional tools in the classroom and at home to enhance their learning. Our teachers communicate with parents regularly through their updated websites, newsletters and conferences. We believe parental support and involvement is a crucial part of a young child's learning. Our parents are actively engaged in many activities throughout the day and evening with their children. Many parents attend our Math Nights, Hands-on Literacy Night, ESOL Nights and "What's Special about Specials?" night.

We are proud of our implementation of Positive Behavior Intervention Support (PBIS). We are completing our fifth year of implementation. The state awarded our school with a Ribbon Award for outstanding progress implementing our school-wide behavior program. We continue to support students to do their BEST: Be kind, demonstrate Effort, show Self Control, and build Teamwork in all areas of work each day. Students receive "Gotcha" cards when they are caught demonstrating appropriate behaviors. Our students love to attend celebrations throughout the school year that celebrate their success demonstrating these appropriate behaviors throughout the school.
